

# THE SCRIBE

## OUR VISION

To See the Nations Discipled.

## OUR MISSION

To bring people to Christ and membership of His family, develop them to Christ-like maturity, and equip them for their ministry and life mission in the world.

**FOCUS 2026: “DO BUSINESS TILL I COME” - LUKE 19:13**

***FOCUS MARCH: “HOLY SPIRIT DOMINION”***

## HOLY SPIRIT & YOU COMPANY LIMITED

Are your books of accounts open to the Holy Spirit or He should instead wait for tithes?

If you have had to think about this statement then you either don't know that the Holy Spirit is your business partner by default as a Christian, or you have made him a silent partner who should sit back and wait to share in the profits and losses of your business.

“

*Solutions from heaven are amazing because they don't solve one problem.*

”

It was an impactful week as we feasted on the Word shared by Dr. James Magara on Kingdom Commerce. By the end of the week, we were reminded to acknowledge the true Owner of our businesses, seek His guidance, ask for wisdom, walk in excellence and innovation, and steward resources faithfully.

The Holy Spirit is not merely a partner - He is the Owner. The benefits of partnering with Him are immense because He lives in us. He brings order to chaos, gives divine insight, answers questions, and saves us from costly mistakes.

Dr. James shared that although his background was not in business, the Holy Spirit taught him through experience. Today, he leads a thriving practice and champions Kingdom Education. He emphasized that these principles apply to every area of life - we are called to be Spirit-filled in every vocation.

**“Solutions from heaven are amazing because they don't solve one problem.”** He said.

I hear the word: “The finality of trading.”

Rahab discerned her moment and, by faith, secured her household. Hannah poured out her soul and rose knowing her exchange was complete.

Worship is not only adoration. It is warfare. As we declare who God is, we establish victory in our situations.

There are exchanges to be made today: reproach for favor, pain for healing.

We do not trade by works, but by the highest price - the blood of Jesus.

Prayer:

Every high place that has exalted itself is brought low. Every lie is silenced. By the blood of the Lamb, we trade, we overcome, and we rise.

*By Pr. Nobert Tugume*

God initiates divine exchanges - even with those who feel unworthy - bringing them into alignment with His inheritance.

You may feel overlooked in your lineage or workplace, but the Lord desires to trade with you.

It may cost you, but it will preserve you. God is calling you to trade for generations.

“Come now, let us reason together...” Isaiah 1:18

Exchange what you carry for what the Lord offers

*By Mr. Levi Sabila*

The days of the giants are over.

A radical move of God is rising, marked by worship that carries the sound of heaven and shakes the powers of darkness.

I release the spirit of David upon the Church. As David overcame, so shall we. Rise in boldness. The time of intimidation has ended.

The land shall be liberated. Deliverance and salvation will flow.

*By Dr. Abraham Judah Muwanguzi*

“Comfort, comfort my people...”

Do not interpret the times by what you see. God is working beyond the visible.

Do not let fear, global events, or uncertainty shape your prayer life.

Let the Spirit be your lens.

Like Elijah, learn to discern the whisper.

Like David at Ziklag, look beyond loss. God is positioning you for recovery and increase.

The Lord is bringing down kingdoms of darkness, and His kingdom is rising.

*Pr. Nobert Tugume*

The Lord says: I have already answered.  
Receive by faith, with gratitude, as you await  
manifestation.

Let us pray for the nations...and for our land.

May the blood of Jesus speak peace in our  
streets. May His purposes prevail on earth as in  
heaven.

*By Elder Paul Luguza*

The Lord is restoring sight.  
What we see in Israel reflects the Church. This  
is the hour to confront every altar and high  
place that has held us captive.

When I beheld the holiness of God, fear lost its  
hold. God is not in competition. He is supreme.

Holiness enters the battlefield, and everything  
contrary must bow.

As Dagon fell before the Ark, so every opposing  
force will fall.

Holiness is warfare. It exalts God above all

*By Mr. Emmanuel Masaba*

As we worshipped, I sensed:

**“The shout of the King is among us.”**

“No misfortune is seen in Jacob... The Lord  
their God is with them.” Numbers 23:20–22

What God has blessed cannot be reversed.

*By Mrs. Lydia Ochola*

Have you felt crushed, uncertain, unable to  
face what lies ahead?

I saw someone struggling to open their eyes.

“Lord, open his eyes...” 2 Kings 6:16–17

It is time to see again.

To see that the Lord is with you.

To see what He is revealing.

The enemy is far weaker than the Lord who  
stands with you.

## A story of Hope: Martha Nyaruwa

“My dream of continuing school almost ended when both my parents fell ill and could no longer support my education. After completing Primary Seven, I worked as a maid, hoping to save money to return to school—but it was very difficult, and I nearly lost hope.

At that point, Pendeza Uganda found me and supported me through the child sponsorship program. I found a community where I truly belong, beyond my biological family.

Through mentorship, I have grown in confidence, character, and faith. I am now able to read and understand the Bible on my own, relate well with others, and take on leadership when given the opportunity.

I completed my O-Level and performed well (Eng-B, CRE-B, His-B, Geo-C, Math-C, Physics-B, Chem-B, Bio-B, Ent-B), and I am now in A-Level studying PCM.

I dream of becoming a biomedical engineer. This dream was inspired by one of our mentors, Eng. Diana Namabirirwa, who is also a former sponsored child. When she shared her journey, I began to believe that if she did it, I can too.

I am deeply thankful to God, to Pendeza Uganda, and to DC Makerere Hill for their continued support.”

*Martha Nyaruwa, a Senior 5 Sponsored child*

## The Bigger Picture

55 children are currently in school through the Child Sponsorship Program, with 19 in high school and 36 in primary.

Each child receives holistic support education, mentorship, and spiritual guidance, made possible through the generosity and commitment of the church.

To sustain them in school, we need **UGX 22,200,000** per term.

Your support is not just keeping a child in school, it is restoring hope, dignity, and a future. To make a contribution toward this noble cause, use our Merchant code **\*165\*3\*308124#**

Michael Muyinga and his wife, Fresera Muyinga (daughter of Apostle John and Sarah Bunjo), are members of Bunjoville, a ministry that continues to bless Deliverance Church and beyond.

On March 13th, Bunjoville released their album Kairos - a name that speaks of divine timing, an appointed moment when God chooses to act.

According to team leader Jojo Bunjo, the album was birthed out of a moment of prayer and prophecy, where the Lord impressed upon them a message from the book of Joel - that the Lion of Judah is arising. Kairos is more than a musical project; it is a spiritual sound. Through its songs, one senses the stirring of a God who rises to fight for His people - a man of war stepping in to bring deliverance, restoration, and victory.

As you listen, you are invited not only to enjoy the music, but to discern the moment - to recognize what God is doing now. Be blessed by engaging with the album on Spotify and other platforms under the name Bunjoville Ug.

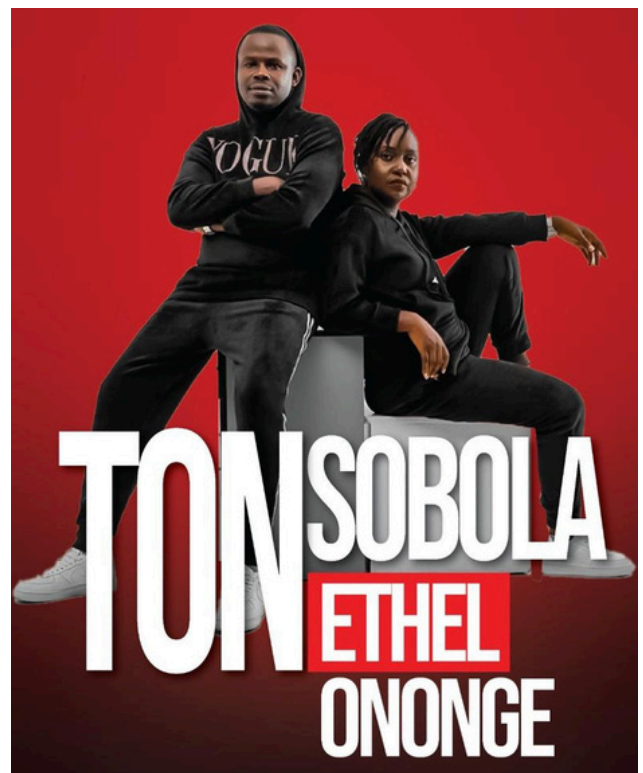

## Emel Muzik

The biggest lie the devil has told the world is that he does not exist. Another lie is that he will not attack unless given reason. But is this truly the case?

Ethel Ononge's latest single, "Tonsobola," addresses this deception, recounting the origin and defeat of Satan. Written by Emmanuel Ononge, the song draws from Isaiah 14:12-15, Ezekiel 28:13-17, and Luke 10:18.

Be encouraged to support the ministry by subscribing, liking, and sharing content from **EMEL MUZIK UGANDA**. The music is also available on your favorite Christian radio station.

We extend our condolences to the families who have lost their loved ones. We thank the church for standing with them during this time.

“The Lord gave, and the Lord has taken away; blessed be the name of the Lord.”
